SOUL WEAVING

WITH

INFINITER

PROFESSOR
WEIRD

INFINITER

DREAM
ANIME

LUCID
LIGHT

*Sleep paralysis
opened.*

*My soul rose
out of my body.*

*This was not like
ordinary dreaming.*

Two strangers
waited in the cosmos.

I knew their
names anyway.

Professor Weird.

Infiniter.

*The Professor had
come as referee.*

*He said the contest could
annihilate existence.*

Infiniter wanted football.

*Then he helped me
know I was okay.*

*I wanted us to
create realities.*

Peace returned.

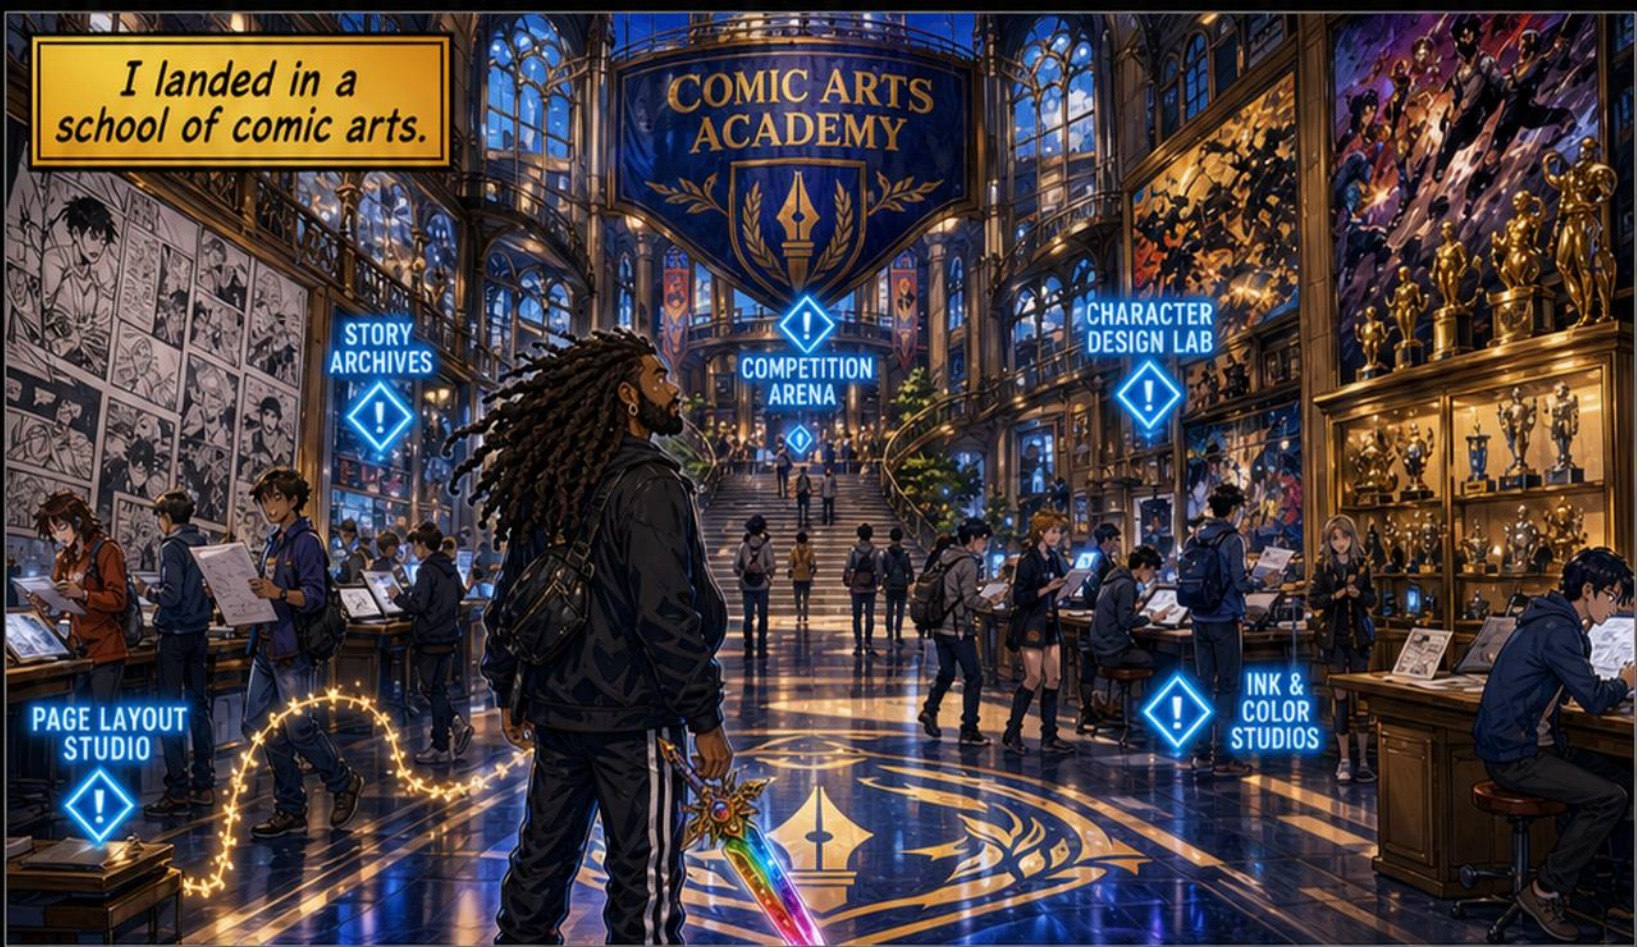

So I chose
creation.

Blue threads
gathered in
my hands.

Then the world
I made swallowed
me.

I landed in a school of comic arts.

The missions kept changing.

Crime.

FIND THE TRUTH
BEHIND THE HEIST

Drama.

RESOLVE THE
STORY CONFLICT

Supernatural forces
under every lesson.

SEAL THE
INK RIFT

SURVIVE THE
HAUNTED ARCHIVE

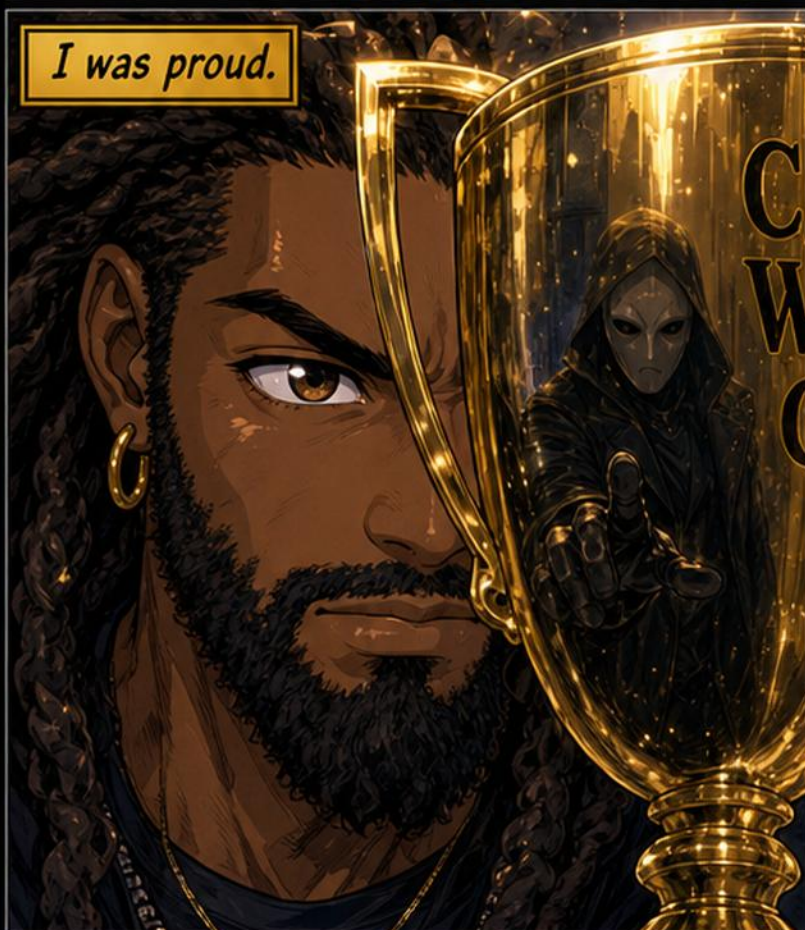

Then I saw
someone who
looked like me.

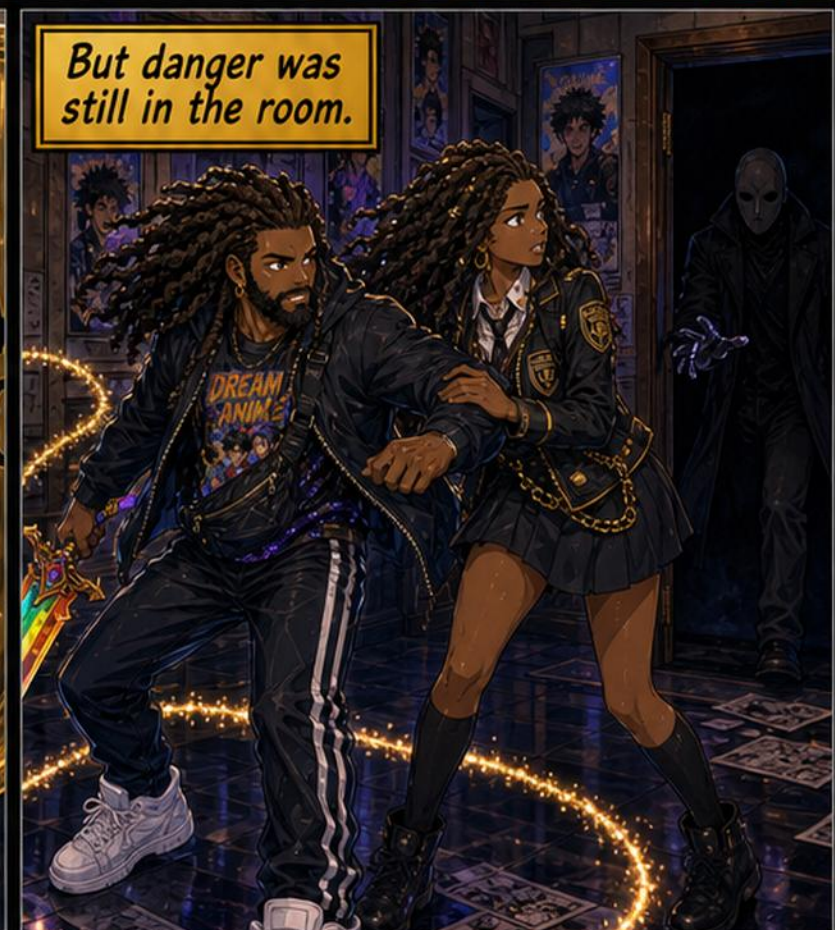

She had won
both Comic
Writer Cups.

I was proud.

But danger was
still in the room.

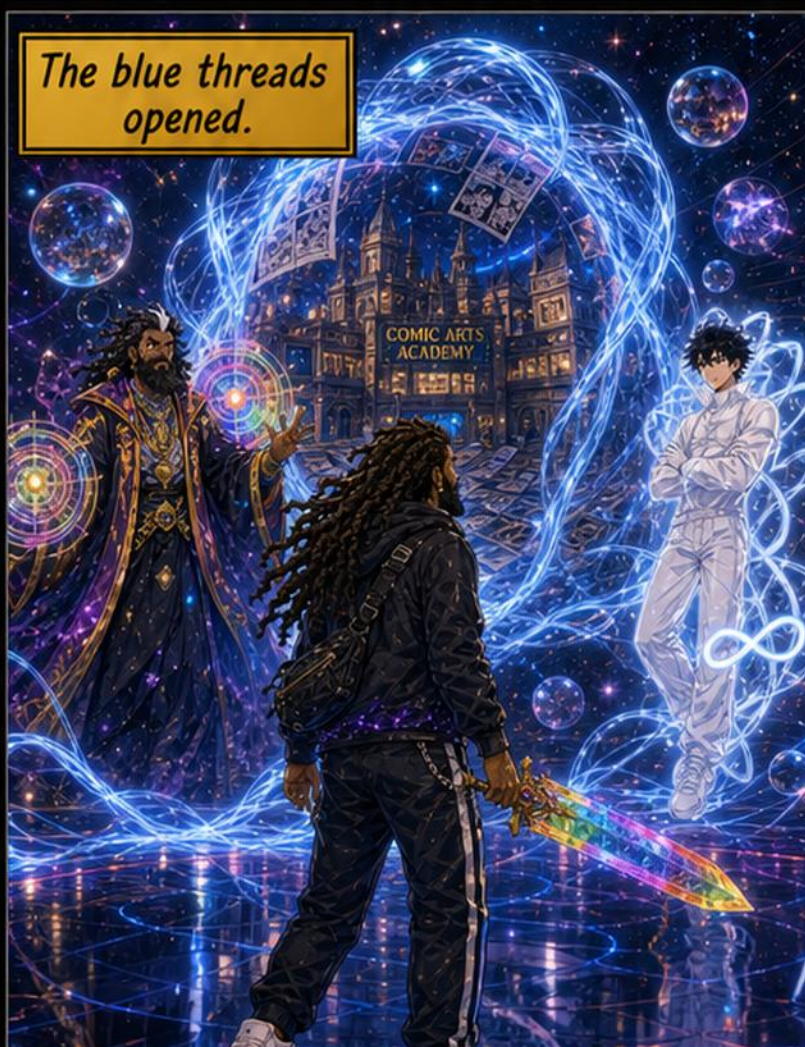

Then I questioned
how long I had
been there.

Lucidity caught
up with me.

The blue threads
opened.

Soul travel was
not the same
kind of dream.
