

05/27/2026:

OMEGA KNIGHT AND THE STONE COUCH

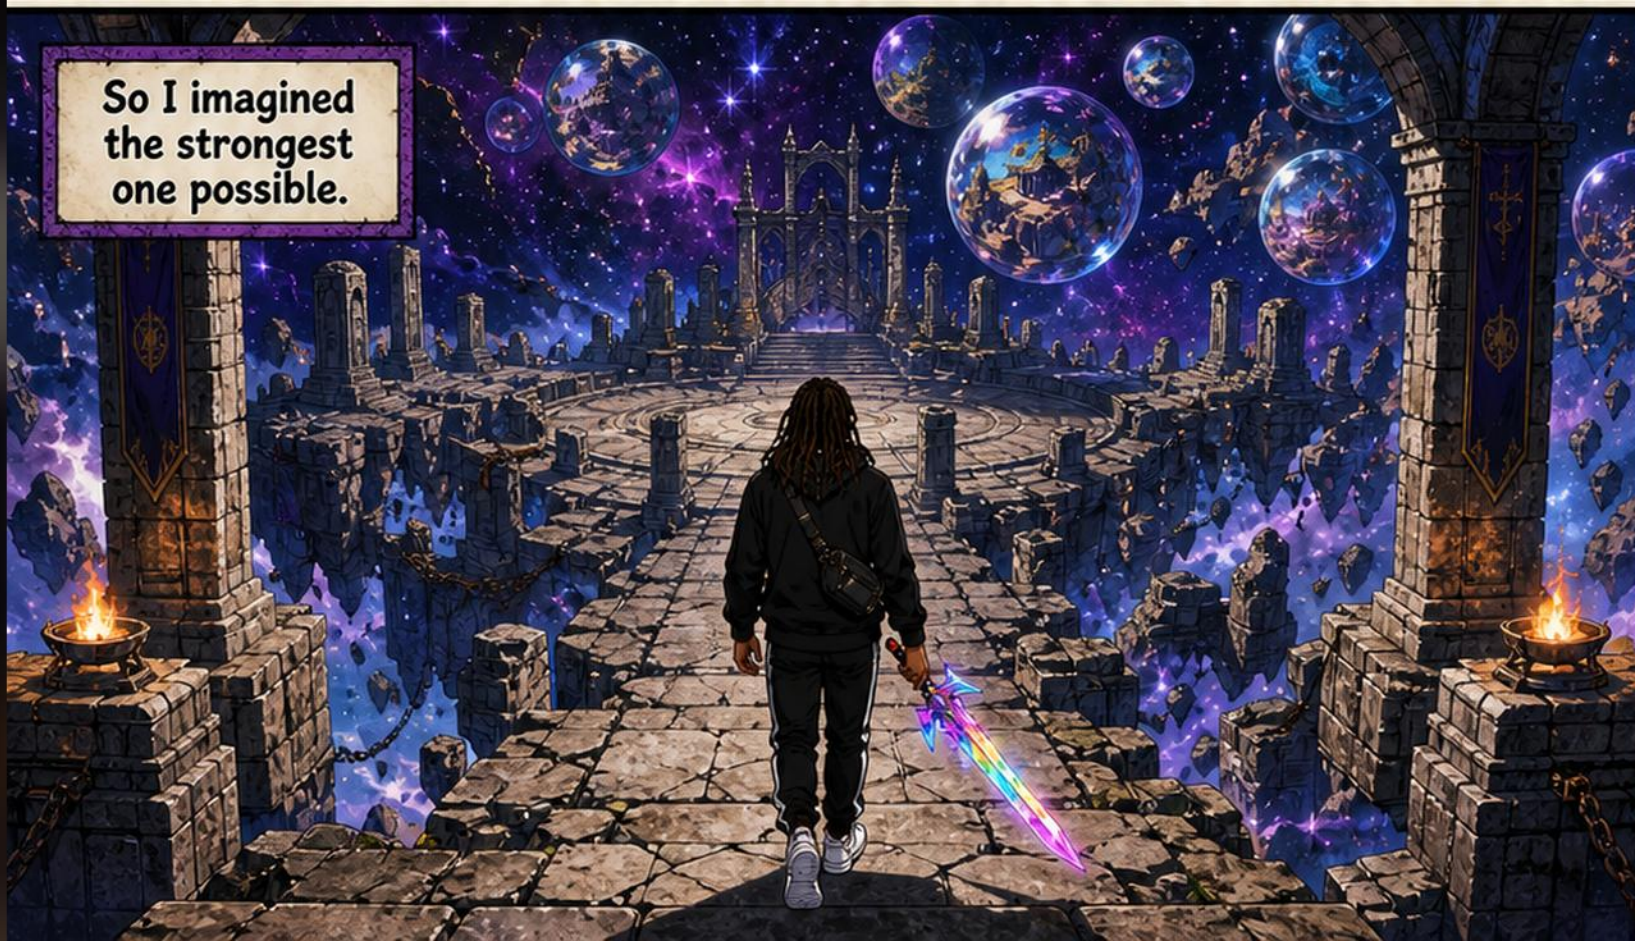

Sleep paralysis
opened the arena.

For nights,
the Knightmares
kept coming.

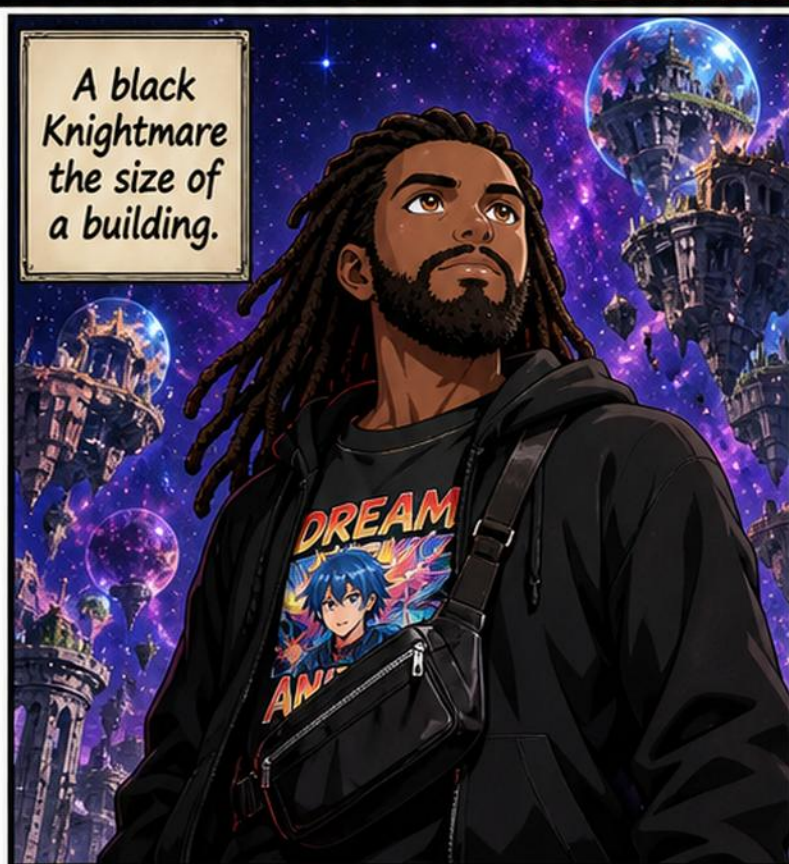

So I imagined
the strongest
one possible.

Omega Knight
answered.

A black
Knightmare
the size of
a building.

A kaiju could
have called
it a rival.

THE RUBIES
WERE PRISONS.

THOUSANDS OF
DEFEATED KNIGHTMARES.

EVERY SOUL BECAME
MORE POWER.

THAT WAS
THE MISTAKE.

One of my
first Storyverse
powers was
geokinesis.

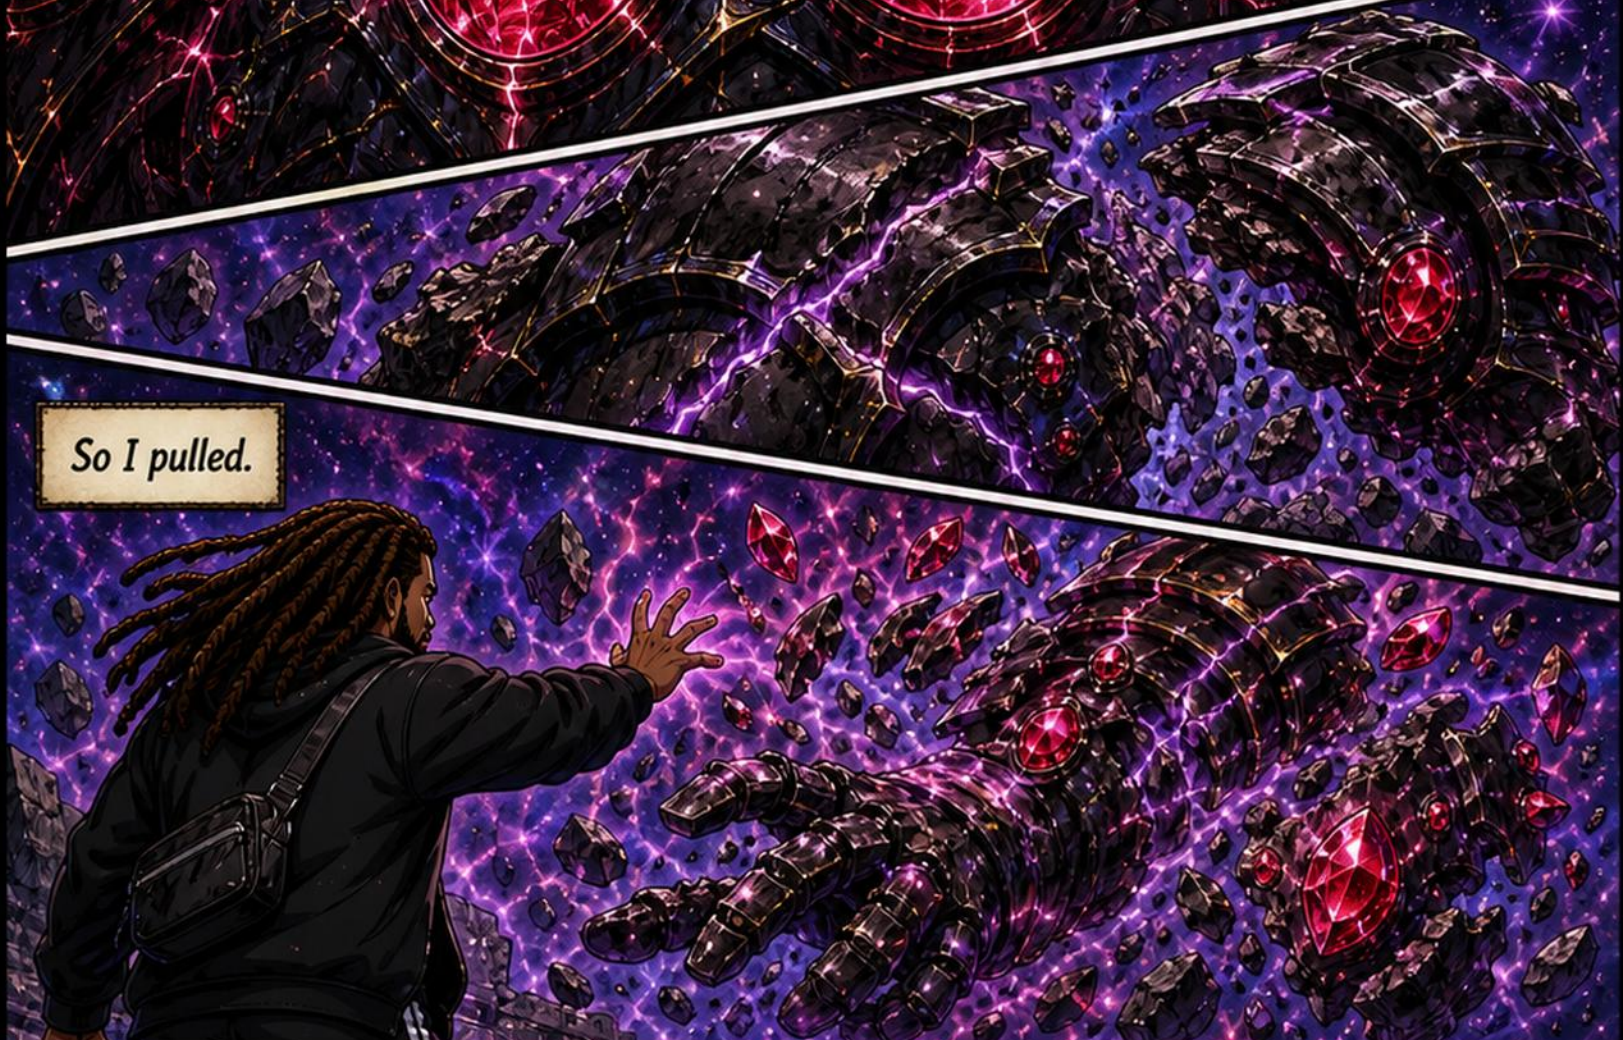

Rubies are
stones.

Metal
remembers
the earth.

So I pulled.

I made the
obvious choice.

I summoned
a stone couch.

Then I
flew away.

Omega Knight
reformed behind me.

I was
not threatened.

The answer
had not changed.

Break
the prisons.

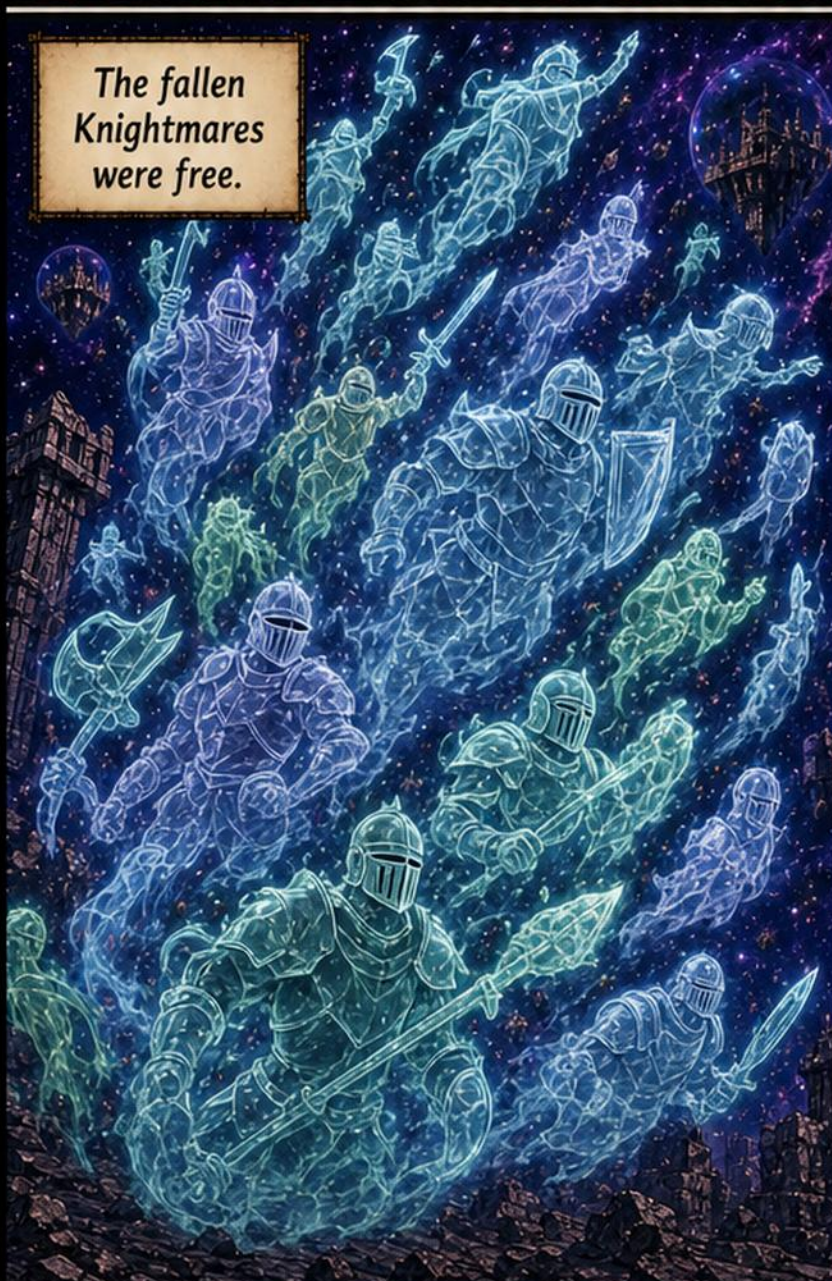

Drain
the legend.

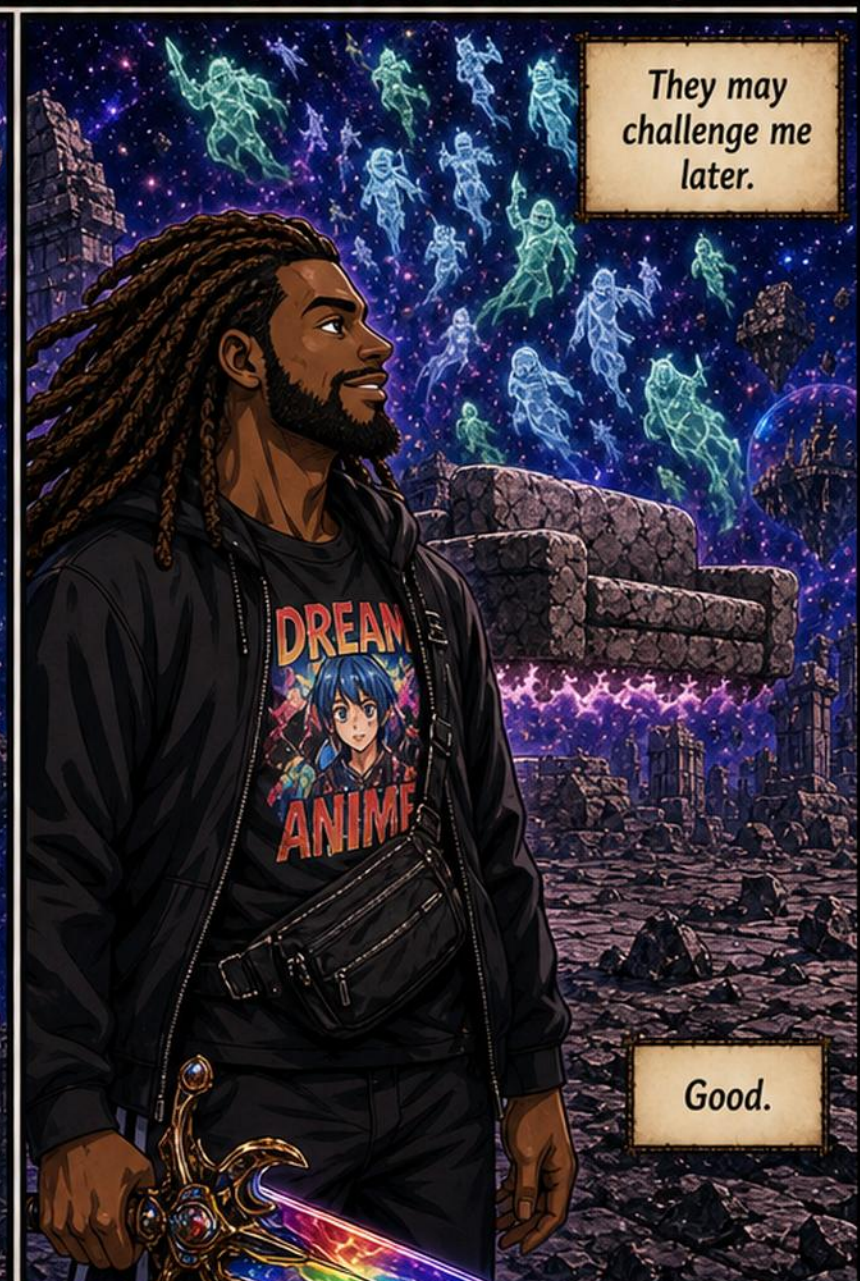

Without the
souls, Omega Knight
ran empty.

The fallen
Knightmares
were free.

They may
challenge me
later.

Good.
