

05/24/2026:
MALL WORLD
SUPERHERO SCHOOL

I returned where
the last dream stopped.

Mall World waited
inside infinity.

This time, the stench
would not win.

**I remembered
the plant hero.**

Roots became armor.

Moss became a cape.

Flowers answered the air.

THEN THE
KNIGHTS CAME.

RED CHEST
PLATES. BLUE
GREAVES.

NO NOSES.

THAT WAS
THE TRICK.

They guarded
the mall with
an odor.

A trap they
could never
smell.

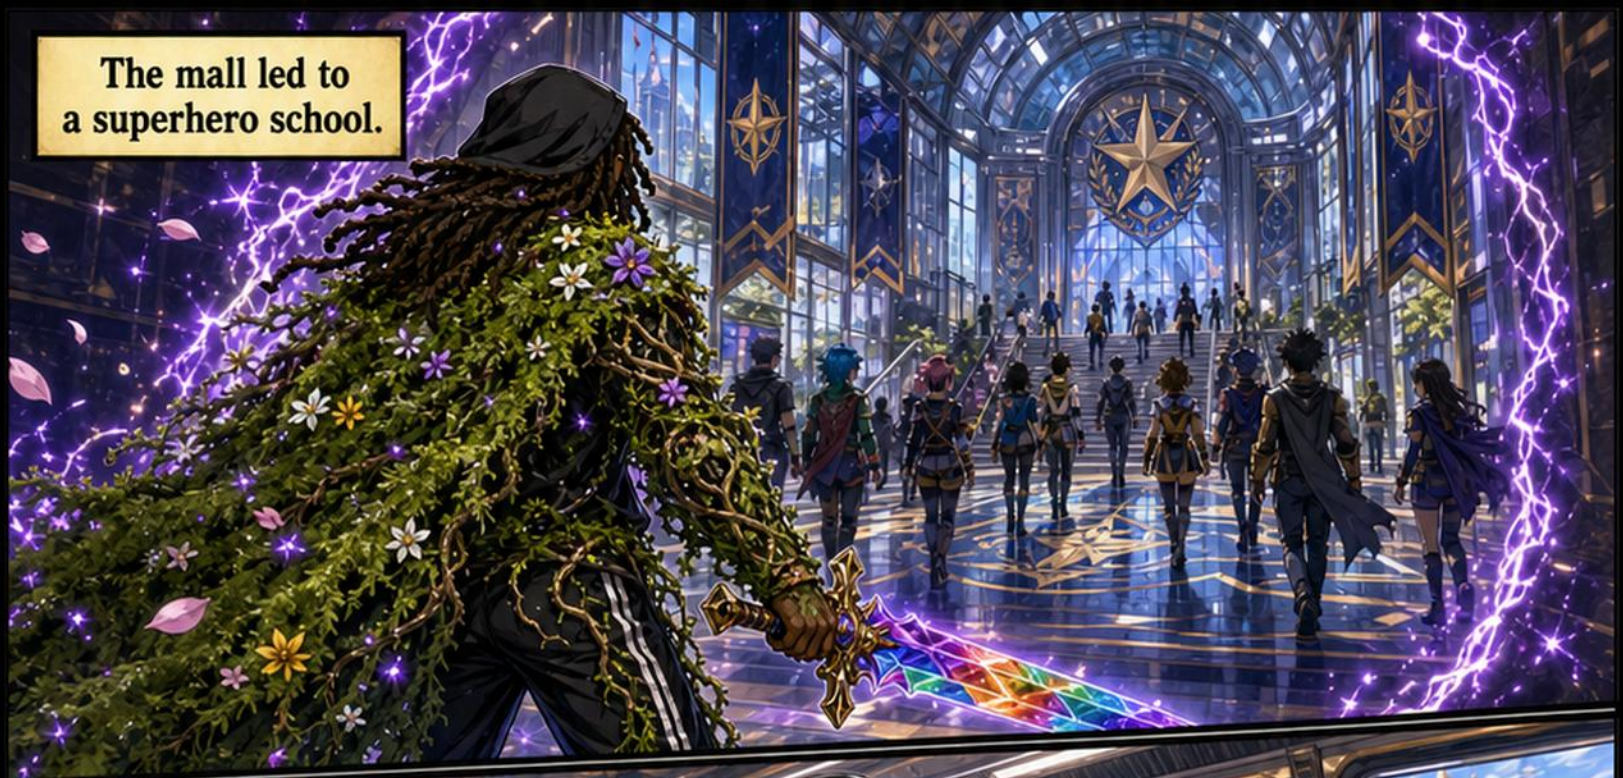

I had seen
through it.

The way
opened.

The mall led to
a superhero school.

The first lesson
moved fast.

A train became
a mission.

The day blurred
into adventure.

There were
swarms to fight.

Rivals to
test me.

Friends
to find.

Names slipped
away.

We shared
ice cream.

We watched
cartoons.

Were they
dreamers, or
dream characters?

That mystery
waits for
another dream.
