

06/12/2026: STORYVERSE ANNIVERSARY OF QA

SLEEP PARALYSIS
OPENED THE DOOR.

I ARRIVED ALONE
IN WARM DARK FOG.

WHEN THE FROGS APPEARED,
I PREPARED FOR A FIGHT.

THEN THE
FOG CLEARED.

IT WAS
NOT AN AMBUSH.

IT WAS MY
STORYVERSE ANNIVERSARY.

MY CREW
HAD COME TO CELEBRATE.

Leon beamed
us aboard.

The party continued
in ghostly green light.

A berry octopus
served musky
ink punch.

The more I drank,
the better it became.

THEN THE BERRY
OCTOPUS OFFERED
ME A SPECIAL
GREEN GLASS.

THE PUNCH
TURNED BRIGHT
INSIDE ME.

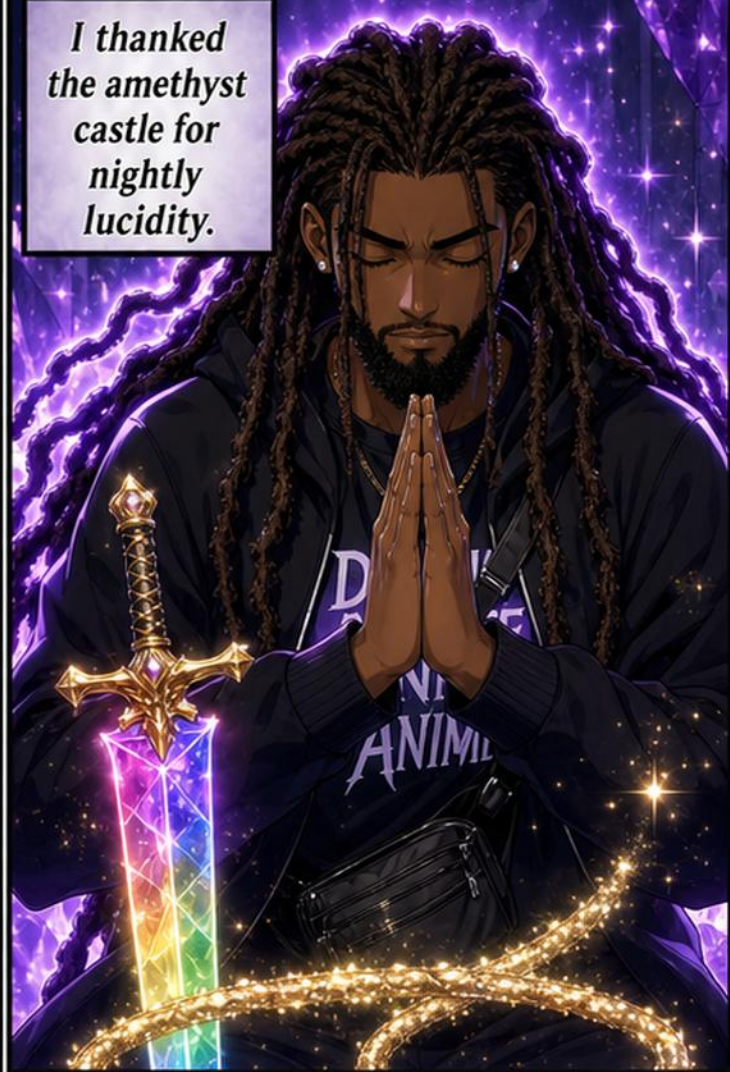

MY SUBTLE
BODY FLEW OUT.

*My astral
form reached
a shrine.*

*I thanked
the amethyst
castle for
nightly
lucidity.*

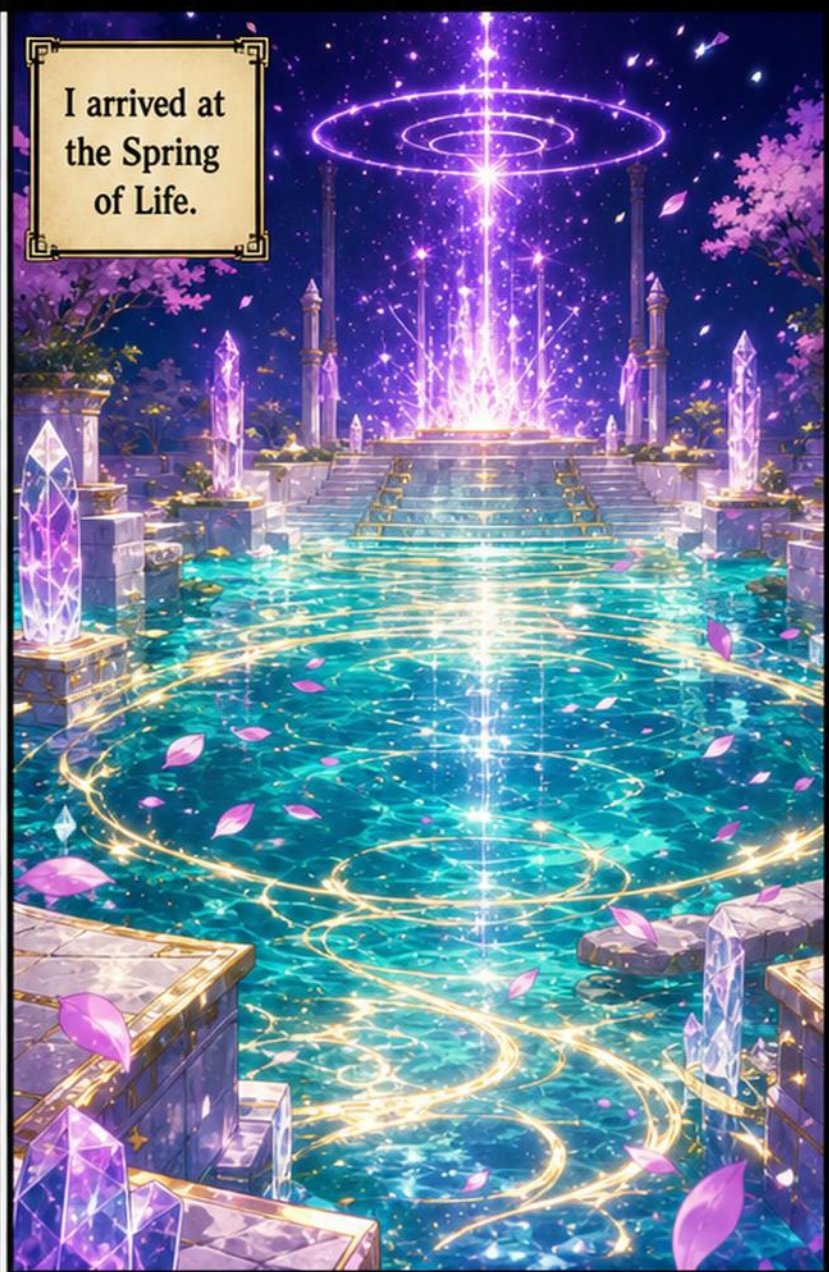

*The white-hooded
ones gathered
around me.*

Desire carried
me through
the hierarchy.

I arrived at
the Spring
of Life.

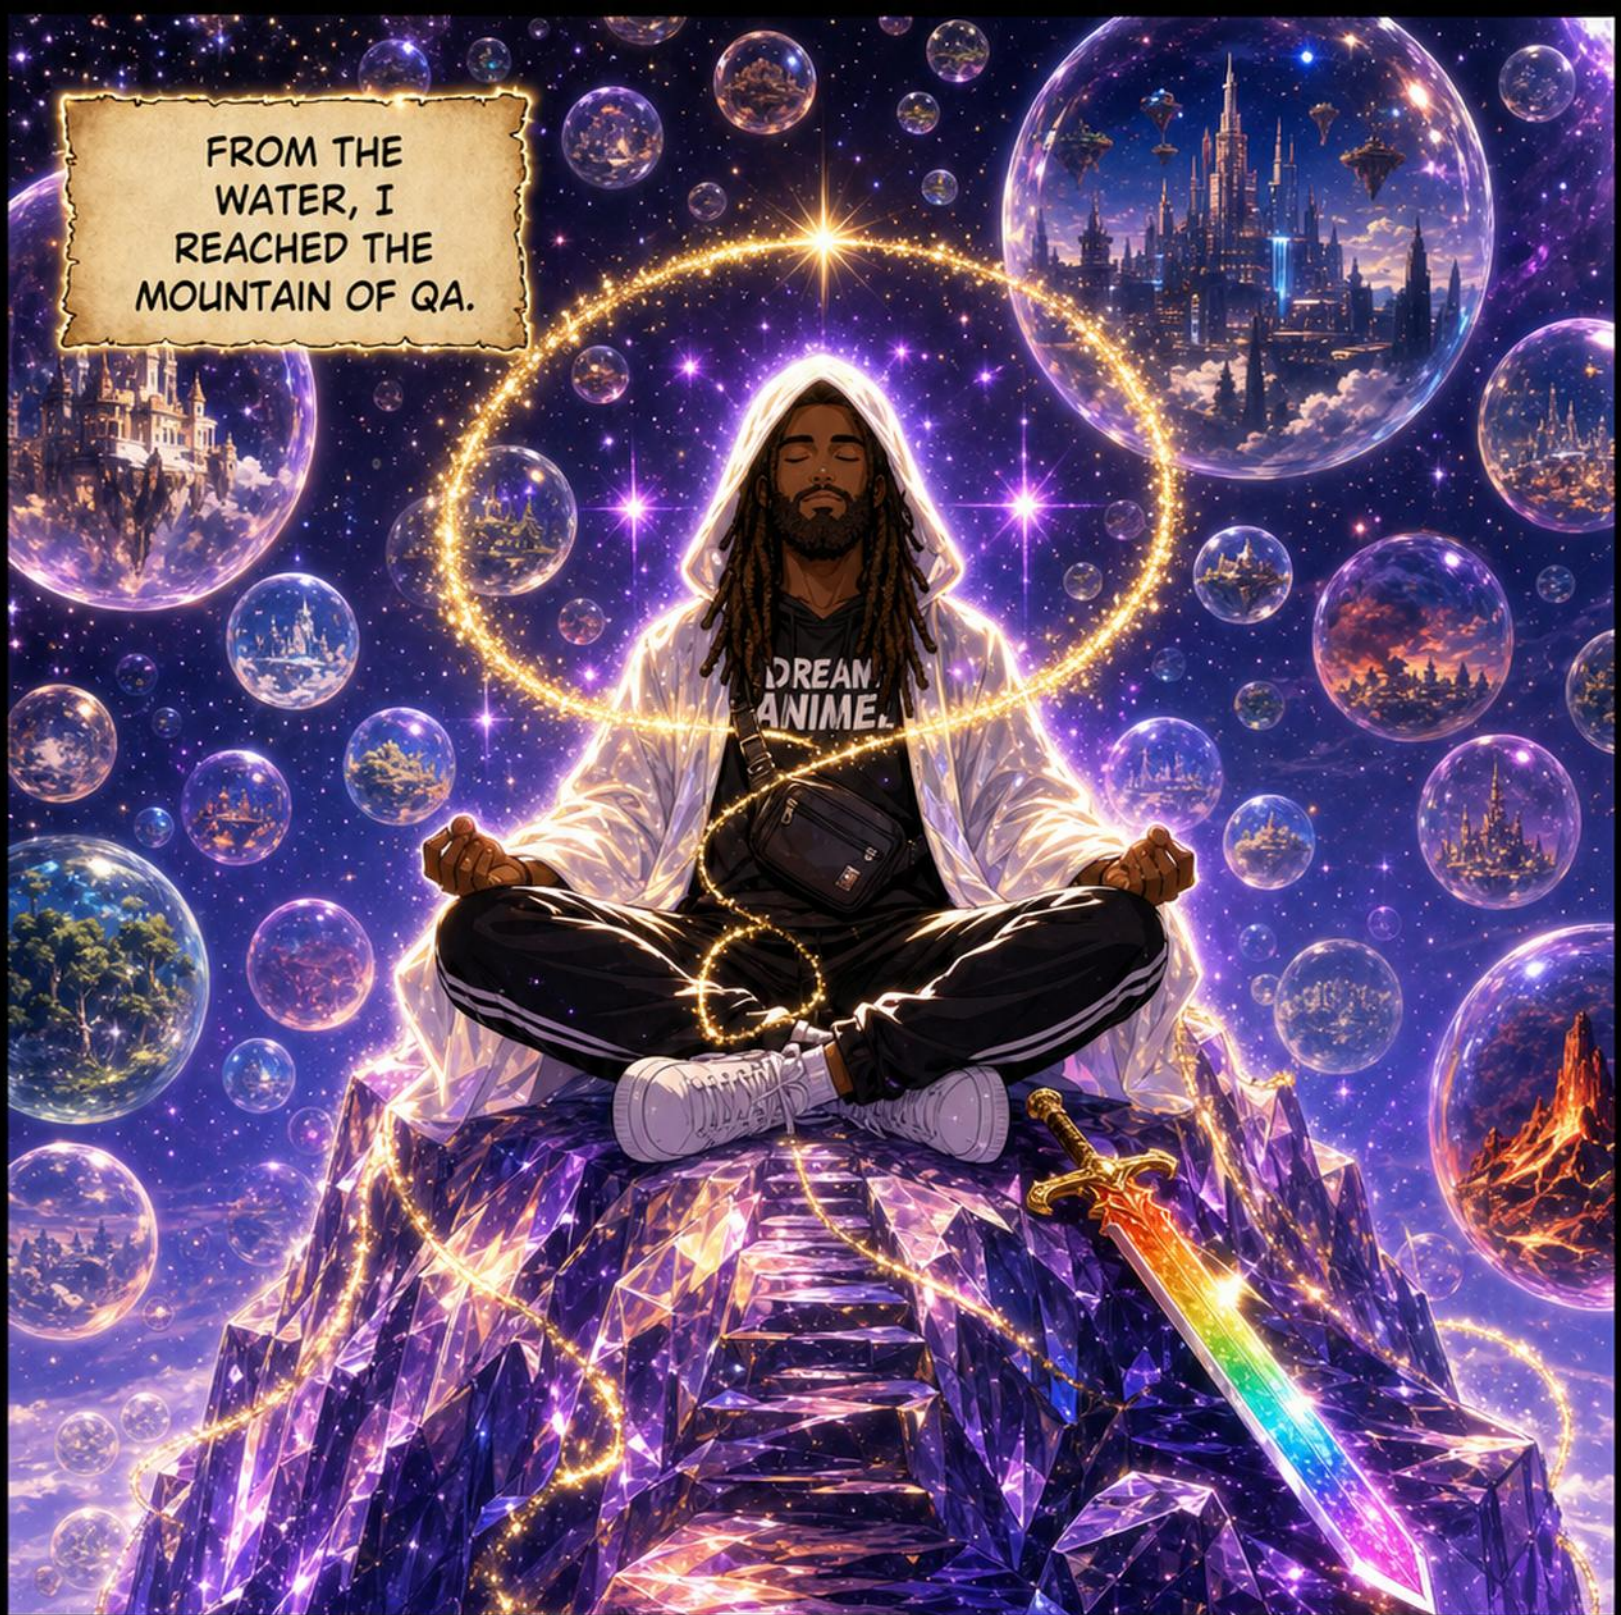

I swam through
the shining water.

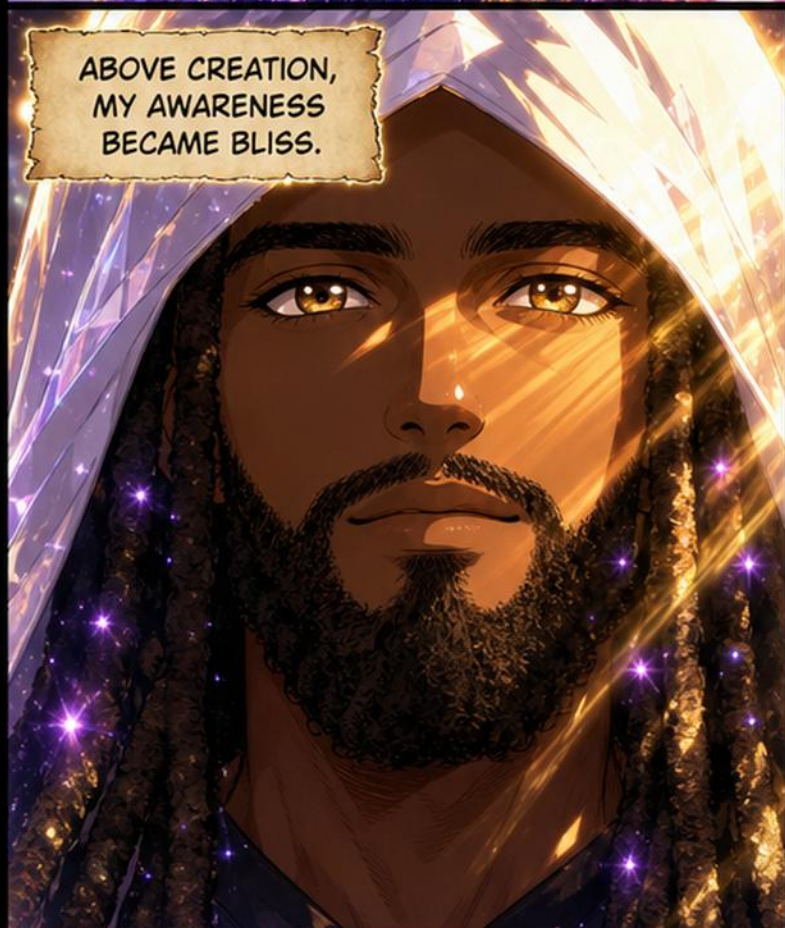

I began to become
hooded and godlike.

FROM THE
WATER, I
REACHED THE
MOUNTAIN OF QA.

ABOVE CREATION,
MY AWARENESS
BECAME BLISS.

A YEAR OF NIGHTLY
PRACTICE UNLOCKED
A MIGHTY NEW STATE.
